7.0 SUPERINTENDENT UPDATE

8.0 COMMITTEE OF THE WHOLE

8.1 Executive Committee

8.1.1 Technology Contract

The recommended WISD Technology Contract for the 2025–26 fiscal year provides 1.45 additional staff dedicated to Lincoln Consolidated Schools, including a full-time Site Coordinator to manage day-to-day operations, provide technology support, and project oversight, as well as an expansion of the part-time Instructional Technologist position to 36 hours per week. The total cost of the contract is \$799,340.33.

8.1.2 LAB Track Club Trip

The trip is organized by the LAB Track Club for seven high school students who have qualified to compete in the New Balance Nationals AAU Track Meet. The event will take place at the University of Pennsylvania in Philadelphia, PA. The trip spans from June 19, 2025, to June 23, 2025, with an estimated departure time of 10 a.m. and return time of 5 p.m.

Key details:

Participants: Seven students (Greg Myers, Kyle Vaughn, Ethan Montgomery, Justice Maduka, Ayla Daigneau, Aliya Brooks, and Tiana Vaughn) and four coaches (Rolando Eccleston, Maura Lane, Dante Lander, Dominique Foley).

Transportation: Students will travel in a Lincoln van provided by the Lincoln Department of Transportation.

Lodging: The group is attempting to secure an Airbnb to reduce costs associated with hotels and meals.

Parental Involvement: Some students may return separately with their parents.

Cost: No anticipated cost for students or adults, though fundraising activities were conducted to aid payment.

Health and Safety: Emergency contact information will be available, and the standard student code of conduct will apply.

The trip involves traveling over 200 miles, includes an overnight stay, and is out of state. It is planned by school staff and does not require students to miss school days as it occurs during the summer.

8.4 Building & Site Committee

8.4.1 2025-26 Project List

The 2025/2026 Facilities Project Proposal presents a comprehensive plan to address a range of infrastructure, safety, and instructional environment improvements across our district campus. Each project has been carefully evaluated and aligned to appropriate funding sources, including the Sinking Fund millage, 31aa allocations, LAB-specific funds, and General Fund Special Projects. This proposal does not include IT or transportation-related expenditures, which will be presented separately. Importantly, the recommended project list preserves available capacity within the Sinking Fund millage account to accommodate additional facility needs that may arise throughout the year.

Requested Action:

I respectfully request that the Board of Education approve the completion of all projects listed in the 2025/2026 Project List. These projects have been identified as essential to maintaining operational safety, academic readiness, and the modernization of our facilities. All work will be completed using the outlined funding sources. The recommendations provided maintain flexibility by preserving available capacity within the district's Sinking Fund millage account to support any unforeseen or additional needs that may emerge during the school year.

8.4.2 Asphalt RFP Recommendation

Asphalt Project – Parking lots and roadways

As part of our ongoing commitment to maintaining safe and functional infrastructure across the district, we solicited competitive bids for critical asphalt and roadway improvements at multiple school sites. After a thorough review of all submissions, Allied Construction emerged as the lowest qualified bidder with a total adjusted proposal of \$1,869,153. This work will be fully funded through the district's Sinking Fund Millage and completed in two summer phases (2025 and 2026) to minimize disruption to school operations. I respectfully recommend Board approval of this contract to ensure timely and cost-effective completion of these essential projects.
